INTRODUCING THE NEWEST LIFT IN THE AQUA CREEK LINE-UP... **THE REVOLUTION™!**

Aqua Creek has developed another innovative and versatile lift designed for use on BOTH in ground and above ground pools and spas! This innovative new lift takes many of the features customers have been requesting the most: a versatile lift that can be adapted to most pools and also can accommodate heavier patrons! That's right; the NEW REVOLUTION™ actually has a weight capacity of 500 lbs (226 kg)!! That is 100 lbs (45 kg) more than the standard weight capacity of most of the lifts on the market today! With the addition of the Revolution™ to Aqua Creek's product offerings there really is no reason to go to any other manufacturer for all your aquatic lift needs.

- **500 lbs (226 kg)** weight capacity!
- All stainless steel construction
- Durable epoxy powder coating
- Dual flip-up arms
- Adjustable lap belt
- Removable and adjustable foot rest
- Set back ranges from 10 to 40 inch (25 cm to 101 cm)
- A full 360° powered rotation in either direction!
- Ability to clear a 30 inch (76 cm) high wall
- Ability to service multiple pools and spas in close proximity
- 24-volt rechargeable battery operation
- 5 year structural and 5 year pro-rated electronic warranty
- Ship weight: 450 lbs (204 kg)
- Ships via common carrier

Options include:

- Headrest
- Chest Straps
- Stretcher/gurney assembly

CUSTOMER TESTIMONIALS

"This lift is fantastic! I ordered it and had it set up on my Hydro-pool Swim Spa, it works so good. The Pro Pool Lift is awesome!"

James D. (Burlington, IL)

"Your company truly has 100% customer satisfaction. I would highly recommend this product to anyone!"

Bob G. (Melbourne, FL)

"I would recommend this lift to anyone. It has worked great for us!"

Irene E. (Edinburg, TX)

"I really like your lifts. They are compact and easy to install."

Dave F. - Commercial Pool Builder, (New York)

THE PRO POOL LIFT™

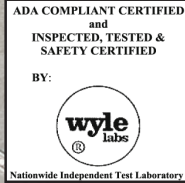

"The Pro Pool Lift™ uses a unique, compact and streamlined design that does not protrude into the pool when not in use. The Pro Pool Lift is Independently certified ADA compliant and safe for commercial use. This lift is arguably the most advanced lift on the market today!"

THE KIEFER LIBERTY LIFT™

The Liberty Lift™ is a battery powered, commercial grade wheelchair lift designed especially for physical therapists, rehab facilities, and hospitals. It is also easily installed and used for residential applications and light commercial locations such as hotels, motels, and HOA pools. When not in use, the platform tilts quickly and easily out of the way for easy pool cover installation or so the entire pool can be utilized for therapy or recreation.

- The Liberty Lift™ features:
- Concrete anchor system
 - 400 lbs (181kg) lifting capacity
 - Ships via common carrier
 - A spacious 36" x 41" (91 x 104 cm) platform
 - 24-volt rechargeable battery operation
 - 5-year structural and 5-year pro-rated electrical warranty
 - UV Resistant powder coat finish
 - Stainless Steel construction
 - Submersible remote handset
 - Ship weight 550 lbs (249kg)
