

The ABLE™ (Aquatic Bath Lift Elite)

The Aquatic Bath Lift Elite or ABLE is a wall mounted bath lift. It is easy to use and completely self operational. Consistent with all Aqua Creek lifts, the ABLE is made with high quality stainless steel and powdercoated for protection against corrosion. The ABLE Lift features a 400 lb lifting capacity, folding seat, rechargeable 24v battery power and push button controls on a submersible hand-held controller.

The Ranger Lift™

Item #F-411RPL

The Ranger is an economical ADA compliant lift that upholds Aqua Creek's standards for durability and reliability. The Ranger features a 300 lb (136 kg) lifting capacity, while maintaining a sleek low profile design similar to our popular Pro Pool Lift. The Ranger is ideal for use on smaller hotel and motel pools, also a great economical choice for backyard enthusiasts who enjoy their independence.

The Ranger Lift™ Features Include:

- ADA Compliant
- 300 lbs (136 kg) lifting capacity
- Set back range 4 to 14 in.
- All stainless steel construction
- Durable white powder coat finish
- Concrete anchor system
- 24 volt rechargeable battery including charger
- Submersible 2 button remote
- 5 year structural and pro-rated electronic warranty
- Ships common carrier

Cycle Attachment

The Cycle Attachment is an upgrade that makes exercising in your pool trouble-free and convenient. The Cycle Attachment quickly converts your Revolution Lift into an aqua therapy bike. Simply slide the Cycle Attachment into place, lower yourself down into the water and enjoy hydro-therapy without ever leaving your lift! Easily adjustable to increase or decrease resistance as you feel comfortable.

Item #F-019CA

The Quick Set Anchor Kit

Item #F-046QAB

No need for tools! The Quick Set Anchor Kit has been designed specifically for use with the Pro Pool Lift. Quickly remove the Pro Pool Lift from your deck without the use of tools and re-install using the durable, hand knobs to tighten the lift down to the deck. The Quick Set Anchor Kit offers an affordable alternative to a portable unit. Get the most out of your Quick Set Anchor Option by purchasing the Pro Pool Lift Transport Cart, Item F-428HT, to transport the lift from poolside to storage and back again. This option does not affect the lifting capacity of The Pro Pool Lift.

The Liberty Lift™

Item #F-091LLB

The newly redesigned Liberty Lift is a commercial grade platform lift that now comes complete with a swivel pedestal seat. The Liberty Lift does not intrude into the pool unless in use and easily folds up at deck side. The Liberty Lift is an ideal addition to any rehabilitation facility.

The Liberty Lift™ Features Include:

- 41" x 42" platform space
- 400 lbs (181 kg) lifting capacity
- All stainless steel construction
- Durable white powder coat finish
- Concrete anchor system
- 24 volt rechargeable battery including charger
- Submersible 2 button remote
- 5 year structural and pro-rated electronic warranty
- Ships common carrier
- Ship weight 425 lbs (193 kg)
