

# THE REVOLUTION LIFT™

ITEM # F-700RL

The Total Solution for Pool and Spa Access

The Revolution Lift™ is the first ever ADA compliant, standard production aquatic lift to achieve a 500 pound weight capacity. This lift provides the ability to service multiple bodies of water and both above-ground spas and in ground pools and spas. Constructed of all stainless steel materials and protected with a white epoxy powder coated finish, The Revolution Lift™ is the only lift your facility needs.
